PRAYER REQUESTS

Please remember these in prayer this week

1. Our sister Nancy Coleman and her family can use our prayers. Her brother Al in AZ with cancer is not doing well, her brother Cliff is dealing with many difficult issues and now has a son with cancer. Nancy has battled health issues also.
2. Please pray for the victims' families of the Borderline Grill incident.
3. Praise that Liz Tisdale and Suzy Forcier have returned home safely.
4. Someone has anonymously asked for prayers for upcoming doctor's test results.
5. Continue to remember Sion Sameto, Steve Meadeville, Neal Emelio, Joe Alford and all with ongoing and recent medical issues.
6. Erlinda asks for two good tenants and she gives praise that God is good to her in all circumstances.
7. Those dealing with issues from the wildfires and those public servants working in this area for us.
